Overview

Community Network Purpose:

Community Network is a small charity which exists for the purpose of connecting people to minimise loneliness and isolation.

Role Purpose:

The charity has a long history of connecting people to minimise loneliness and isolation, and requires a CEO who can both build on its reputation and work to date to transition to, and embed, a new organisational model.

The primary focusses for this role will be:

- Establishing the needs and wants of beneficiaries, and sustainable income streams to support these
- Conducting a thorough organisational review to inform robust plans for the forward journey
- Driving momentum through clear strategic leadership of the whole Community Network team, and engagement with key stakeholders
- Acting as the bastion of good governance and communication to ensure rigorous and effective running of the charity

The Person:

This role requires somebody who has experience within the charity/third sector, particularly relating to the following key strengths:

1. Creating and implementing robust funding/income generation strategies.
2. Knowledge and transition to different charity (business) models
3. Demonstrable experience of driving results through leadership and engagement

Passionate and knowledgeable about the issues concerning personal and social isolation in the UK you will be a confident communicator who enjoys promoting Community Network's opportunities to potential users, funders and partners.
